## ACIDITY SELF TEST

Use this checklist to get a sense of how acidic you may be. Determining your acidity levels isn't an exact science but this Self-Test can help you get a better idea of **how urgently** you need to begin alkalizing your body.

The more symptoms, the more acidic you may be, and the more urgent it is for you to begin an alkalizing program.

## BEGINNING SYMPTOMS

	Acne	0	Hyperactivity	0	Strong smelling urine
	Agitation, anxiety	۵	Panic attacks		Mild headaches
